Julia Berry

Highly Specialist Speech and Language Therapist

Health and Care Professions Council number: SL039247

Royal College of Speech and Language Therapists registration number: RC0040338

Personal Profile

I am a dedicated Speech and Language Therapist with experience working across a range of specialist educational provisions. I have worked with young people aged 2–21 with communication differences, supporting them to be independent communicators. Alongside designing and delivering bespoke therapy packages, a large part of my role involves working closely with parents, carers and educators to ensure home and learning environments are accessible and facilitate all forms of communication.

Professional Qualifications

UCL (2019 - 2021) - MSc (Hons) Speech and Language Sciences, *Distinction*

Imperial College London (2015 - 2018) - BSc Biochemistry, ARCS, *First Class Honours*

Employment History

ATtherapy, Highly Specialist Speech and Language Therapist · Present

As a Highly Specialist Speech and Language Therapist within ATtherapy, I work with a range of clients to develop their access to communication. My role includes exploring a range of AAC systems to find the best fit for an individual, as well as supporting families, carers and other professionals around the client to develop their confidence and skills as communication partners. Therapeutic goals are collaboratively developed with the client to ensure they are functional and relevant to the individual's priorities.

The Pace Centre, Speech and Language Therapist · 2024 - 2026
Delivery of specialist AAC support to cohort of students aged 6–16 with complex neurological movement disorders

Outcomes First Group, Speech and Language Therapist · April 2023–September 2024
Implementation of universal, targeted and specialist support within specialist primary school & nursery for autistic children

Moor House School, Speech and Language Therapist September 2021–April 2023
Management of a caseload of secondary school-aged and post 16 clients with Developmental Language Disorder
