

Lynn Davies

Speech and Language Therapy Assistant

Personal Profile

I am a Speech and Language Therapy assistant with a strong background in working with children across a variety of settings, including private homes, nurseries and schools. Having studied Nursery Nursing at college and gained valuable experience working in America, I bring a diverse skill set and a deep passion for helping children reach their full potential. Known for my sociable, fun, and positive nature, I approach every situation with enthusiasm and a can-do attitude. I thrive in team environments and always seek to create an engaging and supportive atmosphere for both children and colleagues alike.

Professional Qualifications

September 1990 – July 1993: Stockport College BTEC National Diploma in Nursery Nursing

Employment History

ATtherapy, Speech and Language Therapy Assistant and Business Support - Sept 2024 – Present
I've been working at ATtherapy since September 2024.

In my business support role at our North West office, I assist the Speech Therapists by transferring their dictations, notes, and emails into a clinical record system.

I also work as a Speech and Language Therapy Assistant, where I support young people and adults with various learning abilities. I help implement therapists' targets to encourage client progress. With a good understanding of different access methods, I assist clients with the appropriate access method during sessions. I also prepare resources for therapy and provide feedback to the Speech and Language Therapists when needed.

Prestbury Primary School, Assistant – March 2020 – July 2024

I worked at Prestbury Primary School, supporting children aged 5 to 11 years.

Hollies Pre School, Nursery Assistant – September 2017 – March 2020

In this role, I worked with children aged 2-4 years and in the holiday club with children up to age 10.

My key responsibilities were:

- Supervising and engaging children in play and learning activities
- Assisting with feeding and daily care needs
- Encouraging social and emotional development
- Communicating with parents and caregivers about children's progress

Various Nanny Jobs

After leaving college, I worked in various nanny jobs, caring for children from newborns to young adults. My key responsibilities included:

- Feeding and preparing meals
- Engaging children in activities to support their development
- Assisting with homework
- Organising outings
- Managing children's schedules

Training

- Makaton Level 1 and 2
- Talking Mats
- AAC Building Blocks: Brick-by-Brick Therapy
- Switch Access
- Grid 3

Additional Skills

Having worked with children for over 30 years I have a wide knowledge of child growth stages and milestones, knowledge of safeguarding policies and procedures and experience with positive reinforcement and discipline strategies.
