Personal Profile

I am a passionate Speech and Language Therapist with an interest in working with children and young people with acquired Brain Injury (BI), Social, emotional and Mental Health (SEMH) and Augmentative and Alternative Communication (AAC). I am committed to working closely with young people and their families to develop communication skills and empower independence. I aim to continually develop my professional skills in order to provide the best quality therapy and support for my clients. I also value working within a team and believe a holistic, person-centred approach is beneficial for all.

Professional Qualifications

[Manchester Metropolitan University: MSc Speech and Language Therapy \(Pre-Registration\):](#)
Graduate in September 2021

[Edge Hill University: Bachelor of Science with Honours in Sociology – Honours Degree – Upper Second Class](#)

Employment History

[ATtherapy, Speech and Language Therapist · September 2021 - present](#)

Within my role at ATtherapy, I work with a variety of clients, including early communicators, AAC users, acquired brain injury and SEMH. I am also currently completing my Dysphagia training and will be supporting clients with eating, drinking and swallowing, once fully qualified.

I work with both adult and paediatric clients, but my caseload is largely paediatric. I cover the North West and travel to my clients home, schools and Colleges to provide support.
